

November 25, 2025: On the Best Path Forward

I am writing now to elaborate on the 'sunlight is the best disinfectant' path forward for the best possible outcome under such terrible circumstances.

This group is clearly hiding themselves and their actions from public view. The entire operation is designed to send messages from inside of a bunker that cannot be seen by the public.

The ongoing 'defense' that is being used by this team is two-fold: 1) no such conspiracy exists; and 2) you are 'crazy' or 'mentally-ill' if you begin to receive these harmful messages from their team. This has been a repeating pattern from their organized effort to intimidate me and oppress my voice. (Gangsters and extortionists do not wear uniforms. They hide!)

However, this conspiracy is real and is well-documented in history as both existing in the world and as existing in America itself. And, I am very 'sane' and very receptive to the nuances of non-verbal communication which allows me to be (forces me to be) subject to their ongoing attempts to push me and 'walk' my virtues into a place of demonization against their hidden force.

(Even as I write this now, a vehicle just passed by my home to confirm that I am 'receptive to the nuances of non-verbal communication')(Every day I live with a spying team that is attempting to disrupt my home with their own intentional messaging instead of my own thoughts, knowledge, and intentional positive directions)(I am being sabotaged by the USA military)

I have already documented how the USA military produces materials explaining how they walk the virtues of other countries and nations for a 'positive' outcome and I am expressing that this same technique is simply being used to produce a negative outcome instead.

The sunlight is the best disinfectant plan of our future is the same strategy that is philosophically stated as the proper conclusion for this in every resource that I have found which documents this type of phenomenon: FREEZE THE DEVIL.

In fact, this method is so effective that their own 'demonic' evil kingdom is literally using it as their own weapon against those that are noticing the conspiracy. This entire charade of force being sent against my home (this stream of 'water torture' that is driving an endless 'stream' of obstacles into my direction is exactly that - except my good intentions and well-reasoned philosophy is their 'devil.')(Lies are freezing the truth instead of truth freezing the lies)

By shining light on their organized efforts to disrupt our rule of law, we are 'shining light on' the festering evil that is growing as a cancer to destroy our country, states, cities, and homes. Logically, those that are 'hiding in the shadows' and that are 'speaking inside of a secret code' or that hide themselves inside of a 'secret society' are placing themselves into the designation of those that do not want to be seen.

I am offering the best strategy to defeat such a horrible scenario: shine light on their criminal activities, hold them legally accountable (if and when possible) and certainly cause them to 'freeze' their actions for as long as they are being investigated / exposed.

Do not ever stop. I have presented you with clear historical proof of what happens and how to fix it. But, I cannot perform this task alone. You must participate in regaining control of your government.
